FIG. 4 is a schematic diagram of a rectangular device with a central square region. The central region is divided into four quadrants by a vertical line 62 and a horizontal line 66. Each quadrant contains a series of parallel diagonal lines. The entire structure is enclosed in a rectangular frame 60. A wavy line 70 is at the bottom, and a wavy line 72 is at the top. Labels 64 and 68 point to the left and right sides of the central region respectively.
